EXPERIENCE

01/2020 - current

STOYO MEDIA UG / BERLIN

- full time - operations & production supervisor -
Running the operations for the video team by creating a work environment in which everyone can work well and deliver their content in time. This involves optimizing processes from feedback loops and video generation to weekly reporting. I also work closely with Head of Creative Strategy & Media, Design & Quality Supervisor and Studio & Production Supervisor.

01/2019 - current

- full time - social media video editor -

Creating square or vertical social media performance and engagement content for Facebook and Instagram (such as videos, moving displays and display ads) with client assets or with self-shot material using premiere pro, after effects and photoshop.

02/2018 - today

PINK APPLE FILMFESTIVAL / ZURICH & FRAUENFELD

- voluntary work - producing and publishing of Facebook and Instagram posts (launched Instagram in March 2018)

11/2017 - 08/2018

ETH ZURICH, CORPORATE COMMUNICATIONS / ZURICH

- internship - conceiving, producing and publishing of social media posts and campaigns, horizontal and vertical video production, maintenance of web content in CMS Adobe AEM 6

05/2016 - 08/2016

NOTCH INTERACTIVE AG / ZURICH

- internship - conceiving and creating offline and online solutions such as social media posts, graphic design, copywriting, producing and editing of video material, helping with presentation

04/2014 - 09/2017

MILCHBÜECHLI - A MAGAZINE FOR QUEER YOUTH / ZURICH

- voluntary work - layout, video and animation work

EDUCATION

09/2014 - 07/2017

ZURICH UNIVERSITY OF THE ARTS / ZHDK

Bachelor of Arts in Design in visual communication
specialization Cast/Audiovisual Media
conceiving and producing of moving content with DSLR camera or smartphone, animation, social media strategy, storytelling

08/2016 - 02/2017

WILLEM DE KOONING ACADEMY, ROTTERDAM

exchange semester in advertising
based on briefings, developing multimedia concepts through design thinking, interviews and other research methods
